# The Planet Mark™ Start! Sustainability Certificate

*Bath Green Clean.*

This is to certify that the business has committed to sustainability by completing **The Planet Mark™ Start!** 3-step process.

### Measure

Reviewed and recognised sustainability impacts within the business by attending a 3-hour workshop run by sustainability experts from The Planet Mark™.

### Engage

Taking action on 3 focus areas and creating a sustainability plan to make ongoing improvements to business sustainability.

### Communicate

Sharing our actions and commitment to sustainability with our community.

Date: *14.8.19*
